## Welcome to Garcia's Kitchen

Andy Garcia, the founder & creator of Garcia's Kitchen, was born & raised with an entrepreneurial spirit right here in Albuquerque. Andy was proud to be one of the first food vendors to set up at the Albuquerque Balloon Fiesta! After selling food & novelties at fiestas & fairs, he realized that he loved feeding his community with great homemade food.

With the help of his children, the first Garcia's Restaurant located on 4th & Mountain, was opened on November 1, 1975. Today, Garcia's Kitchen is still family-owned & operated and now has 6 locations, a Catering Department & a Food Processing Facility employing 250 staff members. It was Andy's goal to provide good homemade food at a reasonable price for the families of Albuquerque. Andy's family works hard every day to keep his dream alive. The heart & soul of Garcia's Kitchen will never change.

"Mr. G", as his beloved employees often called him, will forever be remembered for his colorful personality & love of life.
